

CAFES AND TEAROOMS

Information is split into three areas – Northumberland, Tyne & Wear and County Durham & Teesside.

All are open on a Sunday at some time of the year, unless stated otherwise. If opening times are listed at the end of the entry, this is for summer Sundays but it's still best to double check in advance of a visit. Entry to the cafe is also free.

(10) (09) is the last year the entry was checked. VLM indicates very limited menu (may just be drinks/biscuits).

OS 1:50 000 map numbers and grid references (six figure if known) are included. If there are two entries for the same location, the OS map number is only listed for the first entry. Please email any changes to heatherevans.ctc@virgin.net.
